

Hacky Sack Foot Bag - Spiral

Materials:

See hook and yarn size on page 2.

Begin : Ch 3, connect with sl st to form a circle

Spiral 1: 5 sc in center of ring. (mark first sc)

Spiral 2: 2 sc in each of the last spiral's 5 sc's. (10 sc total)

Spiral 3: 2 sc in last spiral's first sc, sc in next sc, (2 sc in next sc, sc in next sc) continue pattern to end of spiral. (15 sc total)

Spiral 4: 2 sc in last spiral's first sc, sc in next 2 sc's, (2 sc in next sc, sc in next 2 sc's) continue pattern to end of spiral. (20 sc total)

Spiral 5: 2 sc in last spiral's first sc, sc in next 3 sc's, (2 Sc into next st, Sc into next 3 sts) continue pattern to end of spiral. (25 sc total)

Spiral 6: 2 sc in last spiral's first sc, sc in next 4 sc's, (2 Sc into next st, Sc into next 4 sts) continue pattern to end of spiral. (30 sc total)

Spiral 7: 1 sc in last spiral's first sc, continue sc to the end (30* sc total)

* Note: If you intend to add a color pattern around the center area, then add, or decrease, enough sc's in Spiral 7 to accommodate the number of stitches you need for an evenly spaced pattern. Up to 3 sc's larger, or 3 sc's smaller, should not change the overall size of the finished product.

Begin adding the different color yarn in Spiral 7. Spiral 7 through and including spiral 12 gives you 6 rows where for the color pattern's top and bottom elevations.

Spiral 8 to 12:

sc in last spiral's first sc, continue sc to the end (same number of stitches as you created in Spiral 7).

Spiral 13: sc in last spiral's first sc, sc next 4 sc's, (skip next sc, sc into the next 5 sc's) continue to the end of spiral. (25 sc total)

Spiral 14: sc in last spiral's first sc, sc next 3 sc's, (skip next sc, sc into the next 4 sc's) continue to the end of spiral. (20 sc total)

FILLING – add now:

Using the toe-end nylon stocking, fill it with aquarium gravel or polyfill pellets. Tie off the top of the bag. Getting the right amount of filling is done by trial and error; however, it is better to under fill than stuff them too full. After the bag has been used, (kicked around) the crochet stitches will stretch a bit and the filling will be more relaxed.

Spiral 15: sc in last spiral's first sc, sc next 2 sc's, (skip next sc, sc into the next 3 sc's) continue to the end of spiral. (15 sc total)

Spiral 16: sc in last spiral's first sc, sc next sc, (skip next sc, sc into the next 2 sc's) continue to the end of spiral. (10 sc total)

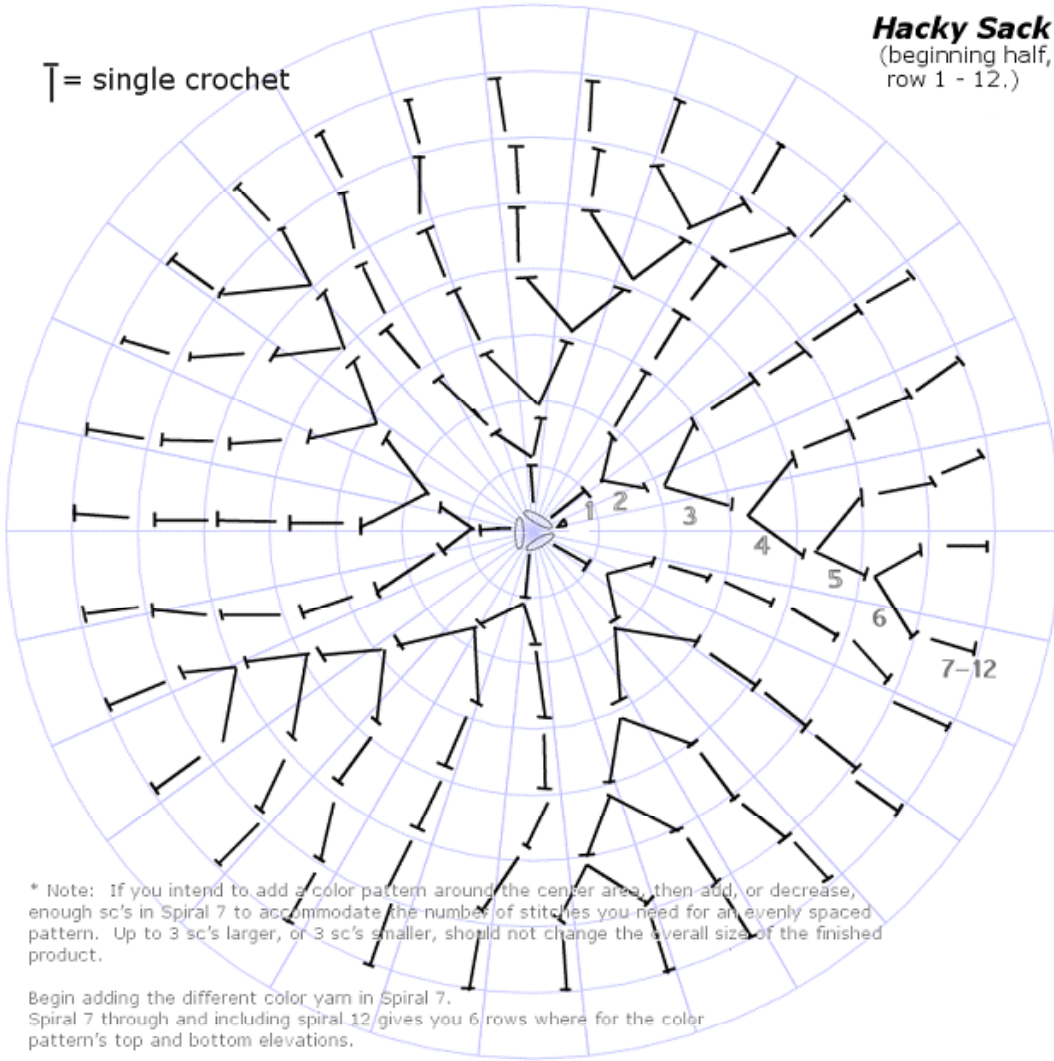

Spiral 17: Repeat the Row 16. Complete the ball by closing the remaining hole with a final sl st and then stitch it closed and secure the yarn's tail inside of the sack.
